clean beauty 

## Color Protect

Paul Mitchell® Clean Beauty Color Protect is the ultimate TLC for color-treated hair. Infused with antioxidant-rich pomegranate extract, known to help prevent color fade from environmental exposure and free radical damage, and borage oil to help soften, nourish and visibly reduce signs of damage. These gentle formulas cleanse and condition strands as they protect hair color for beautiful, vibrant results.

## Love Your Color

### Color Protect Shampoo

Gently cleanse hair while protecting color.

### Color Protect Conditioner

Condition and replenish hair while extending color vibrancy.

### Color Protect Leave-In Treatment

Boost shine and keep color fresh longer.

### Blonde Shampoo

Gently cleanse blonde, highlighted, silver or gray hair and eliminate brassy tones with this purple toning shampoo.

## Color Depositing Treatments

### Usage Tips for Color Depositing Treatments:

1. Apply to clean, damp hair. Wear gloves to help prevent staining.
2. Leave on 4-10 minutes, depending on desired results.
3. Rinse well with tepid water.
4. Wash hands immediately after use; product may cause staining.

### Usage Tips for Shine Enhancing Treatment:

1. Apply to clean, damp hair.
2. Leave on 4-10 minutes, depending on desired results.
3. Rinse well with tepid water.

**Cayenne**
