### Detachable Clip Curling Iron

Extra-long, yet easy to store! Introducing a new 1.25" clip curing iron featuring an extended, detachable clipped barrel to effortlessly create lasting, bouncy curls—anytime, anywhere. Engineered with a premium ceramic barrel, this professional curling iron heats hair evenly for fast results with incredible shine.

#### FAST, EASY CURLING

Extended barrel length makes styling hair quick and efficient, from waist-length tresses to classic bobs.

#### TRAVEL FRIENDLY + EASY TO STORE

Get perfect, lasting curls anytime, anywhere with this detachable design, storage bag and built-in dual voltage.

#### HEALTHY-LOOKING FINISH + LASTING RESULTS

Premium heating element provides even heating throughout the barrel, and ceramic coating allows for effortless glide and shiny, healthy-looking results.

#### ELEVATED, STRESS-FREE STYLING

Digital temperature display, 9-foot swivel cord, and 1-hour automatic shut-off offer a smooth, enjoyable styling experience.
